**PERSECUTION OF
THE INDIAN MINORITIES:
ASSAULT ON PLACES
OF WORSHIP**

Executive Summary

- Post 2014, Indian government dropped all semblance of even handedness in dealing with minorities and resorted to majoritarianism aka **Hindu Rashtra** politics.
- Discriminatory laws and media campaigns **dehumanised** minorities with impunity. Systematic dehumanising¹ pattern is identical to one adopted by majoritarian regimes resulting in **worst genocides** in history (**refer Section-I**).
- **Being party to Genocide Convention**, India is obligated to prevent and punish genocide and **its preventative duty applies** to incitement through hate speeches.
- Hindutva ideologues are bent upon **eradicating symbols of minority identity** and history especially **places of worship** (**refer Section-V, VI, and VII**).
- In 2021, **294 incidents²** of hate crime against Muslims, Christians and Sikhs are reported. **Hundreds of Churches** burnt in Manipur. (**refer Section-IV**).
- Incessant attacks continue **despite legal protection** afforded by the Indian constitution. The **Places of Worship Act (1991, India)** says – “a mosque, temple, church or any other place of worship will retain same religious character that it had on 15 August, 1947” (**refer Section- II**).
- **Dozens of historic Mosques** throughout India are **under active attack** - facing threats of destruction or eviction (**refer Section-IX**).
- **More than 1600 mosques** are facing smear campaign in media (**refer Section-X**).
- In Indian Illegally Occupied Jammu and Kashmir (IIOJK), **24,496 religious sites** taken under control of the government body - Waqf Board.
- World comity shall **demand India to uphold its commitments** to human rights being party to “**International Covenant on Civil and Political Rights**” (**refer Section-XI**).

If inhabitants of England are English, Germany are Germans, the inhabitants of Hindustan are Hindus...India is a Hindu nation

- Shri Mohan Bhagwat, RSS Sarsanghchalak

Section I – Hindutva and Nazification of India

Rashtriya Swayamsevak Sangh (RSS) and its political scion **Bharatiya Janata Party (BJP)** are main drivers of **Hindutva ideology**. Their **ideology and policies** promote Hindu nationalism and violence against minorities **especially Muslims and Christians**. It is **propagated and implemented** through RSS/BJP workers, state machinery, sympathizers in judiciary and media proxies. BJP government has chosen a path of **exclusion and persecution of minorities** which is **deplored** by Council on Minority Rights in India (CMRI), Amnesty International (AI), Human Rights Watch (HRW), Frontline Defenders, Office of International Religious Freedom³ and International Commission of Jurists.⁴

Minorities are excluded from the democratic politics, discriminated for employment opportunities and ignored in social welfare schemes – in contradiction to pluralistic dictates of Indian constitution. **(It is recommended to quote some Article from the Indian Constitution)** Hindutva ideologues are bent upon **eradicating symbols of minority identity and history especially places of worship – Mosques and Churches**. In India, systematic media campaign is prevalent to **raise controversies** about hundreds of religious places for subsequent **eviction or destruction**.

Formation of RSS in 1925 by **Keshav Baliram Hedgewar**, motivated by hatred against minorities was a Brahmin. He believed that cultural and religious Hinduism should be basis for the establishment of nation.

In later years, he delegated RSS leadership to **M.S. Golwalkar** who writes in his book **"We, or Our Nationhood Defined"** to keep up purity of nation and its culture, Germany shocked world by purging country of Semitic races – the Jews. National pride at its highest has been manifested here. Germany has also shown how well-nigh impossible it is for races and cultures, having differences going to the root, to be assimilated into one united whole,

⁴ Statement delivered by **Glenn Payot** at the 51st session of United Nations Human Rights Council (UNHRC) on 27 September 2022, item 4 – General Debate.

“If Hindu Raj becomes a reality then it would be greatest menace to this country. Whatever may Hindus say, actually it does not make a difference that Hinduism is a danger to Independence, Equality and Brotherhood. Thus it is an enemy of democracy. We should make all out efforts to stop Hindu Raj from becoming a reality”

Dr Ambedkar

RSS: Single Greatest Enemy to Religious Freedom Faced by Indians Today

a good lesson for us in Hindustan to learn and profit by." The **idea of racial purity** in a nation was of great importance to Golwalkar.

On the other hand,, **Vinayak Damodar Savarkar** introduced the concept of **Hindutva**. RSS follows Hindutva as an **underlying philosophy** and is striving for a **"Hindu Rashtra" - a Hindu state**. It is an extremist paramilitary organisation that is working for the **promotion of Hindutva - "hegemonic Hinduism"**. RSS is Indian **analogous to Nazi party**. It mobilises mobs for violence, while a dedicated IT Cell pushes RSS propaganda, rallying people behind its ideology, isolating moderates, neutralising opposing media, and targeting human rights activists and minorities for the benefit of BJP politicians and policies.

The Ideological foundation of RSS is based on Hindu supremacy and intolerance of minorities. **Golwalkar**, RSS ideologue, was inspired by **Hitler's idea** of creation of supreme race. FOR INSTANCE, Nazi salutations and symbolism are an integral part of the **RSS traditions**.

Golwalker said - "Non-Hindu people of Hindustan must **either adopt Hindu culture and languages**, must learn and respect and hold in reverence the Hindu religion, must entertain no idea but **glorification of the Hindu race and culture** ... in other words they must cease to be foreigners; **or** may stay in the country, **wholly subordinate to Hindu nation, claiming nothing, deserving no privileges**, far less any preferential treatment - **not even citizens' rights.**"

RSS organisation is secretive about its agenda and working. However, it has permeated in all domains of social, political and cultural life. It has **successfully saffronised the** Indian society through its vast network of subsidiary organisations. They use all means to achieve their aims. **Coercion is a tool of choice** of its cadre. They can easily get away with heinous crimes against minorities due to the connivance of the BJP government. They use state machinery, judiciary, media and street power to coerce minorities into submission without obstruction.

Nazification of India - Comparison	
Hitler's Nazi Govt	RSS/BJP Govt
Sought to establish Aryan supremacy.	Seeks to establish Hindu supremacy.
Anti-Semitism and vilification of Jewish population as political agenda.	Islamophobia and vilification of Muslim and Christian population as political agenda.
Reich Citizenship Law redefined German citizenship to exclude Jewish people.	India's National Register of Citizens (NRC) and Citizenship Amendment Act (CAA) will strip many Muslims of their citizenship and make them stateless.
Law for the Protection of German Blood and Honor" banned marriage and extramarital relations between Jews and those of 'German blood.'	Prohibition of Unlawful Conversion of Religion Ordinance 2020," also known as the "Love Jihad." The Law seeks to "protect" Hindu women preventing inter-faith marriages.
Law banning kosher slaughter.	Campaign against halal products. Ban on beef consumption. Lynching on transportation of cattle.
Propaganda Ministry controlled the press to propagate Nazi ideology.	Govt funds used to spread fake news to demonise minorities and propagate Hindutva. Textbooks demonise Muslims. Admiration for Nazism is rampant in the BJP-RSS ideology.
Longing for the return of the glory of Germany, especially pre-WW1.	The glorification of ancient India by presenting mythology as factual history. It is claimed that everything from internet to stem cells were invented by Hindus thousands of years ago.
Economic boycott of Jewish businesses / professionals.	Economic boycott of minority owned businesses.
Dehumanisation of Jews by referring to them as subhuman, pigs, vermin, rats, lice.	Dehumanisation of Muslims by referring them as demons. Also called them pigs, termites, foreigners, thieves.
Destruction of synagogues.	Destruction of mosques and Churches.

Minority bashing is patent tactic of RSS and is used to mobilize Hindu community. RSS ideologues describe Islam as **“an evil religion”** which promotes an **“evil ideology”**. Also claim that **Kaaba was once “a holy temple of Hindus”** from where started “domain of Emperor Bharata” started. **Hedgewar described Muslims as “hissing Yavana snakes.”**

Extensive fabrication of history is undertaken to support Hindutva claims of grandeur. Historian Romila Thapar have argued that RSS is “attempting to foreground **revisionist histories** with glorified view of Hindu past” by **rewriting school text books**. Balmukund Pandey, head of research wing of RSS asserted - “time is now to restore India’s past glory by establishing that ancient Hindu texts are a **fact not myth.**”

RSS organises **60,929 daily military drills** in their units called Shakhnas. These drills are attended by 500,000 people daily. It also runs 10,000 weekly social media cell meetings across India. The combined power of the BJP government and the street power of the paramilitary RSS define the **Hindutva force**.

To radicalise youth, RSS has penetrated into Indian education system. It uses its 14000 schools and 73000 teachers for the indoctrination of 1.7 million students. Further, It has raised the **largest student union** – ABVP – in India with one million members.

Section III - Genesis of Controversy against Places of Worship

Historic Reasons: Centuries back, subcontinent (now India, Pakistan, Bangladesh) comprised of hundreds of princely states and a few large empires. The **Buddhist, Hindu, Muslim and Christian rulers** occupied vast areas for long periods. It resulted in the **propagation of different religions** under the **patronage of the ruler** in different time frames. The rulers patronised their community by **building places of worship**. **Many places of worship** of vanquished people were **destroyed or converted**. Consequently, **disputes between religions** were common in the 19th century regarding status of religious places. Resultantly, there took many riots.

Legal Remedy - Places of Worship Act (1991): The disputes continued even after the independence of India and Pakistan in 1947. In 1991, the Indian government passed **Places of Worship Act (1991)** that says - "a **mosque, temple, church** or any other place of worship will retain same religious character that it had on 15 August, 1947."

Controversy re-Emerges: Since early 1990s, BJP/ RSS extensively used the **Hindu-Muslim divide** and also **targeted Christian missionaries** for political expediency. **Hindu nationalism** was used to mobilise large sections of population against minorities. **The destruction of Babri mosque (1992) undermined the secular character** of India. Moreover, policies for **creation of the Rashtra** culminated in the massacre of Muslims during Gujarat riots (2002), and **destruction of hundreds of churches** in Manipur (2023). The majoritarian politics is on the rise and now **places of worship of Muslims and Christians are under threat**.

"Hindu nationalism is led by the upper castes and their incitement of all Hindus against the Muslim minority is a ploy that enables them to keep their grip on Hindu society."

Section IV - Hate Speech against Minorities

The **hate crimes** are being committed with **prejudice based** on perceived identity of race, caste, religion or ethnicity against an individual or community. It involves harassment and violence against an individual or a particular social group disturbing the social harmony while inducing a sense of inferiority in the victim, based on their group identity. These are carried out to send a larger message to the targeted social group.

Hate crimes against Muslims, Christians and Sikhs in India are fueled not just by the bias of an offender against victim but often are a result of hate harboured within the majority community against that of the minority. This has been **slowly fed into the Indian society** by the continuous creation of a 'threat' of the minority, and subsequent **othering and vilification** of the same. The hate crimes against minorities have seen a **dramatic rise with the win of the Hindu nationalist right-wing party, Bharatiya Janata Party**. This emotion of hate against minorities has been fostered by the propagation of Hindu nationalism, and the **construct that India is essentially a Hindu nation and rightfully belongs to Hindus**. Other religions, such as Islam and Christianity are non-Indian., Hence, they are **not the rightful citizens of the land**. These biases lead to individual acts of hate crime or violence or even **mass violence** perpetrated against a victim community.

HATE SPEECH REPORT (2023)

- Over 255 incidents of hate speech gatherings targeting Muslims in 1st half of 2023.
- 80% of events in BJP governed States.
- RSS affiliates involved in 52% of incidents.

(Hindutva Watch)

Similarly, **hate speech** implies a form of communication that would create an atmosphere of fear, aversion, and unpleasantness.⁹ Hate speech against minorities is **rampant** in India despite the existence of relevant laws. BJP has gradually made these **laws ineffective** by the administrative measures. Further, courts have become complacent under propaganda campaigns of Hindutva organisations especially RSS.

The NEWS Minute

Major incident in 2023:

More than 250 Churches burnt by Hindu extremists in Manipur - (List at Annex-C)

Section V - Violence against Christians

Christianity is India's 3rd largest religion after Hinduism and Islam. The **Indian Christians** face **religio-economic extremism and violence** from adherents of Hindutva and government of Bharatiya Janata Party (BJP). Further, **Rashtriya Swayamsevak Sangh (RSS)** and its affiliated organisations exploit communalism to propel their political agenda.

Increase in anti-Christian incidents coincides with the political ascendancy of Hindu nationalist organisations under the umbrella of RSS. **RSS regards India as a land of Hindus**. It considers **Christianity as an alien religion** and threat to Hindu Rashtra.

Consequently, **RSS and BJP government systematically raised the communal tension** between Hindus and religious minorities. For this purpose, malicious instruments like **Ghar Wapsi, Love Jihad, anti-conversion laws, ban on cow slaughter, discrimination in employment and hate speech** are used. The persecution of the Indian Christians include **arson of churches, forced conversions, physical violence, sexual assaults and destruction of Christian schools**.

Population Profile of Christians in India:

- 30 million (2.3% of total population, 2022 estimates).
- Scheduled Caste (SC) 33%; Scheduled Tribe (ST) 24%.
- **Christian majority states:** Nagaland (88%), Mizoram (87%), & Meghalaya (75%).
- **States with large Christian population:** Manipur (41%), Arunachal Pradesh (30%), Goa (25%), Andaman & Nicobar Islands (21%) and Kerala (18%).
- **The largest Christian population centers:** Kerala (6.2 million), Tamil Nadu (4.4 million) and Meghalaya (2.2 million).

Socio-Political Profile:

- The second most literate religious group after Jains.

- High urban proportion.
- High professional proportion - teachers, nurses, bank clerks, civil servants.
- **No representation in BJP Union Government** - decision-making bodies, parliamentary board and election committee, council of Ministers.
- **Limited representation in BJP State Governments** having sizeable Christian population.

Discrimination against Indian Christians – Key Facts

- Violence against Christians is religiously and politically motivated—**at least 100 attacks*** each year.
- Dalit Christians are the prime target of physical violence.
- RSS affiliates – Vishva Hindu Parishad (VHP) and Bajrang Dal— are mostly accused for violence.
- State governments ruled by BJP condone violence against Christians.
- Increase in violence after formation of BJP government in 2014.
- India ranks high on the list** of countries most difficult to be Christian.
- US State Department criticised*** India for "increasing societal violence against Christians". Listed over 90 incidents of anti-Christian violence - (1999).

Increased violence against Christian minority demonstrates the influence of Hindutva ideology on the Indian government, bureaucracy, judiciary, and the society. The RSS and BJP condone calls for mass violence and genocide. Judiciary continues to be complicit against perpetrators of genocidal calls, discrimination, violence and discriminatory laws against target religious minorities.

Violence Against Christians in India: A Decade After Kandhamal

As Hindutva ideology extends its reach, Christians are feeling the pressure.

2008 was the most violent year for Christians in India. Daily newspaper headlines captured the senseless violence in the form of death, destruction, and displacement that unfolded in the states of Karnataka and Odisha. On the ten-year anniversary of these atrocities, it's time to explore the forms of violence against Christians in the country today and evaluate their potential effect on the 2019 general election race.

APPARATUS OF SYSTEMATIC PERSECUTION AGAINST CHRISTIANS

Subjugation through Discriminatory Law

- **Anti-Conversion Law**
 - ◆ Conversion from one religion to other is made extremely complicated in some of the Indian states and is dealt as criminal offense.
 - ◆ 11 States have passed such laws: Arunachal Pradesh, Chhattisgarh, Gujarat, Haryana, Himachal Pradesh, Jharkhand, Karnataka, Madhya Pradesh, Odisha, Uttarkhand, Uttar Pradesh.
 - ◆ Law is being misused to implicate Christians for providing education to a child in Christian school or keeping a bible at Christian hospitals.
 - ◆ Attacks on Christian prayer meetings substantially increased after enactment of such laws.
 - ◆ Four pastors charged* with forced conversion of children every month .

- **Sedition Law****
 - ◆ Misused to harass and curb right of the free speech of minorities.
 - ◆ Police misuses sedition law to threaten and falsely implicate the Christian activists.

Desecration of Churches

- Since Modi government came into power there has been steep rise in attacks by RSS extremists on churches.
- 8 Churches were burnt and 10 destroyed. 541 incidents of harassment in church and forcibly stopping of worship were reported – (Jan 2018 to June 2020, before/after Lok Sabha Election of 2019, throughout India).

*US Commission on International Religious Freedom (USIRF) report, 2021.

**Whoever by words, either spoken or written, or by signs, or by visible representation, or otherwise, brings or attempts to bring into hatred or contempt, or excites or attempts to excite disaffection towards, the Government established by law in India, shall be punished with imprisonment for life, to which fine may be added, or with imprisonment which may extend to three years, to which fine may be added, or with fine.

- Eastern UP is the most anti-Christian regions in India on count of false cases.

Social Boycott

- The government (there is no mention of the government- provincial or central?) uses threat of removal from caste-quota based social welfare schemes to discourage Dalits from converting to Christianity.
- All Hindus who convert to Christianity face social boycott.

Targeted Survey of Christians

- Gujarat police surveyed Christian localities and enquired about the source of funds – (June, 2003).

Forceful Conversions

- VHP uses Ghar Wapsi programme for the conversion of Christians to Hinduism.
- Ghar Wapsi would continue unless conversion from Hinduism is banned – (Yogi Adityanath, CM UP).
- 8,000 people converted to Hinduism under Ghar Wapsi programme – (2014, Telangana and Andhra Pradesh).

Choking Fund of Christian NGOs

- Foreign Contribution Regulatory Act (FCRA) is used to ban funding license of NGOs including Mother Teresa Missionaries of Charity.
- Bank accounts of Missionaries frozen.

Section VI - Violence against Sikhs

Sikhism is prevalent in India since 15th century. Sikhs follow revelations of **Guru Nanak** and their Holy book - **Guru Garanth Sahab**. Akal Takht (**Golden temple**), Amritsar is their holiest place. Sikhism promotes a **caste less society** that believes in care (seva) for all. Sikh ruler **Maharaja Ranjit Singh** ruled a large territory in the Northern India in 19th century. Sikhs are a martial race and have a glorious history spanned over centuries. In 1946, **Jawaharlal Nehru** promised Sikhs “a setup in North India where they could experience glow of freedom.” However, Sikhs have faced religious discrimination, persecution, sacrilege of the Holy places and massacres in India .

“Brave Sikhs of Punjab are entitled to special consideration. I see nothing wrong in an area and a setup in North, wherein Sikhs can experience glow of freedom” -
Nehru 1946

Population Profile of Sikhs in India:

- **24 million** (1.7% of population, 2011).
- **Sikhs in Punjab:** 18 Mn, 58% of State population, 75% live in the rural areas.
- **5.5 Mn** in other states including Haryana, UP, Delhi, Rajasthan and Uttarakhand.

Discrimination against the Indian Sikhs – Representative Incidents

- Refusal to recognize **Sikhism as separate faith** (Constitution of India, 1950).
- Desecration of **Golden temple** - (Amritsar, June 1984).
- Massacre of more than **3000 Sikhs** - (Delhi, Oct 1984).
- Frequent incidents of **schism in Sikh faith** by various government supported cults.
- Sacrilege of **Guru Garanth Sahab** - (Bargari, Faridkot district, 2015).
- Attempt to desecrate **Guru Granth Sahib** - (Golden Temple, Dec 2021).
- Disrespect to **Guru Granth Sahib** - (Rupnagar gurdwara, April 2023).

Section VII - Violence against Muslims

Modus Operandi for targeting Mosques

- **Stage 1 (Target Selection):** A historic or prominent mosque is selected as a target to incur maximum psychological suffering and humiliation to Muslims.
- **Stage 2 (Seeds of Doubt):** Hindu extremists posing as historians or archeologists or religious scholar issue statement casting doubts about origins of Mosque and linking it to the destruction of Hindu temple constructed centuries ago.
- **Stage 3 (Hate Speech):** Hindu extremist organisations, specially Sangh Privar (affiliates of RSS) start media campaign against targeted mosque.
- **Stage 4 (Prosecution):** Controversy about Mosque is brought to national or state level by starting litigation and demanding archeological survey. Under the majoritarian duress, courts avoid rejecting such pleas despite clear legal position as envisaged in "Places of Worship Act - 1991".
- **Stage 5a (Political Scavenging):** RSS/BJP or other Hindu extremist organisations leverage Mosque-Temple controversy for electoral gains at national and state level.
- **Stage 5b (Perpetual Persecution):** Mostly Mosque-Temple controversy is meant to serve political objectives. Sometimes, mosque is razed and replaced with temple. At other times, controversy lives on or gets rebirth. The Muslim community is made to live live under perpetual fear of life and faith.

Section VIII - Case Study of Babri Mosque Destruction

Tactics and methods used for the destruction of Babri Mosque have become a **preferred model** for Hindu extremists and are repeated to target other mosques.

Controversy: The Babri Masjid was **built by** Mir Baqi, General of Mughal Emperor Babur in Ayodhya, Uttar Pradesh, **1528**. Hindus believe that it was built by destroying a temple. Further, **Hindu scripture Ramayana** states that the location of **Ram's birthplace** is on the bank of Sarayu River in the city of Ayodhya.

Main events:

- **1855:** Hindus **claimed** that Babri Mosque was built on the site of a temple.
- **1859:** British administration **allowed Hindus** to worship in the outer courtyard of mosque but **main building** remained with the Muslims.
- **1949:** Hindu Mahasabha **placed idols of Ram** inside the mosque and was sealed later.
- **1950:** litigation started between Hindus and Muslims on the claim over the Mosque. **No decision** has been taken.
- **1992: Hindu mob destroyed Babri Mosque.**
- **2019:** Court gave the **possession** of the Babri mosque to Hindus and **acquitted** all BJP leaders.
- **2020:** PM Modi laid the foundation stone of the Ram Mandir on site of Babri Mosque.

Timeline – Babri Mosque Destruction:

- **1528:** Babri Masjid was built in Ayodhya by Mir Baqi.
- **1855:** Hindus claimed Babri Mosque was built on the site of temple of Hanuman.
- **1859:** Hindus believe that the site is a birthplace of Ram and became popular in Hindus. They were allowed to worship in the outer courtyard by the British.
- **1885:** Local court rejected the plea to build a worshipping platform in the outer courtyard.

Section IX - Historic Mosques under Threat of Destruction

Assault against Muslim places of worship is relentless since decades but has **aggravated** after the ascendancy of Hindu extremism in India under the banner of RSS/ BJP. Babri Mosque is a textbook example of modus operandi used for the destruction of mosques. Some historic mosques are already under **advanced stages of attack** (Stage 3 & 4 attacks) as per modus operandi followed for the destruction of mosques.

Gyanvapi Mosque, Varanasi (UP): Gyanvapi mosque was **built in 1669** by **Muslim Emperor Aurangzeb** ruler adjacent to Vishwanath temple. Now, Mosque and Temple exist side-by-side. Recently, Hindu petitioner approached the local court with a claim on the mosque. The Allahabad High Court ordered a **survey** of the Mosque. The survey claimed the presence of Shivaling in the form of a stone shaft in the Mosque. **The court sealed the mosque** on one-sided hearing. However, Supreme Court allowed the prayers in the Mosque. **The matter is still subjudice. (Stage-4 Prosecution).**

Shahi Idgah Mosque, Mathura (UP): The Mosque was **built by a Mughal Emperor Aurangzeb in 1669**. Hindus believes that it is a **birthplace of deity Krishna**. In **1968**, a Hindu organisation “Shri Krishna Janamasthan Seva Sangh” and “Shahi Idgah Masjid Trust” **mutually settled the land dispute**. In **2020**, the Hindu Sena approached the court expressing dissatisfaction with the previous settlement. Court rejected their plea under “Places of worship Act 1991”. In **2023**, Hindu Sena approached the court again **(Stage-4 Prosecution)**.

Kamal Maula Mosque, Dhar (Madhya Pradesh): The Mosque complex houses **four tombs of the Muslim saints** including Maula Kamal ud Din (circa 1238 ~ 1330). The Hindu extremists claim the site to be a **temple of deity Sarasvati**. The Archeological Survey of India (ASI) took control of the site. Now, Muslims and Hindus are allowed to pray at the site on Friday

and Tuesday respectively. The Hindu extremist organisations frequently stoke controversy to take full control of the site (**Stage- Persecution**).

Adina Mosque, Pandua (W Bengal): Muslim ruler Sikandar Shah built mosque in 1373 which houses his tomb. Mosque is under administrative control of Archeological Survey of India (ASI). Hindu extremist organisations claim site to be **Adinath Temple (Stage-2 - Seeds of doubt)**.

Quwwat al Islam Mosque (Delhi): Muslim ruler Qutab ud Din Aibak built this Mosque and Qutab Minar in 1193. The Hindu extremist organizations propagate on social media that site belongs to many destroyed temples. The matter is subjudice (**Stage-4 Prosecution**).

Chota (Dhakta) Sheikh Dargah, Pune (Maharashtra): Sheikh Salahuddin Chishti Nizami and Sheikh Islamuddin preached in Pune in 13th century. Later, their tombs were built in that area and are known by locals as Dargah of Chota Sheikh and Bada Sheikh. In 1768, Hindu ruler Peshwa-I provided the financial assistance for the extension of Dargah. In 2008, Hindu extremist organisations objected to the additional construction in Dargah and claimed for the site of temples. The matter is subjudice (**Stage-4 Prosecution**).

Jamia Masjid-e-Ala, (Karnataka): Mosque was built inside Srirangapatna Fort in 1786 during the rule of the Muslim ruler Tipu Sultan. The Mosque has the inscription of the names of Prophet Muhammad. Now, the Mosque is under the administrative control of the Archeological Survey of India. Some Hindu groups **Bajranj and Sri Ram Sen** claim that the site belonged to the temple (**Stage-3—Hate Speech**).

Baba Sher Sawar Dargah, (Karnataka): In 14th Century, Syed Tajuddin aka Baba Sher Sawar settled on the existing site and later Dargah was built. Once again, Vishva Hindu Prishad (VHP) claims that Dargah is **Basavanna temple (Stage-3-Hate speech)**.

More than 1600 religious¹⁶ sites are facing varied degree of propaganda and violence. The RSS affiliated historian Sita Ram Goel (died 2003) listed hundreds of mosques as targets in his book published in 1991, **“The Dead Hand of Islam.”** Further, lists of the mosques are prepared by the Hindu extremists and circulated on social media with hashtags like **#ReclaimTemples**¹⁷. Refer **Annexure-B** for list of targeted Mosques.

India has **descended into majoritarianism**. The use of State apparatus for marginalizing minorities is the new norm. **The discrimination is visible** in new laws and policies. **Polity of hatred** has permeated in the society and media. **Places of worship** are being systematically attacked to humiliate minorities. **Course correction** is a major challenge for the political leadership, society, media and human rights organisations as **genocide of minorities** looms large in India.

- **United Nations:** Impose **targeted sanctions** on the individuals and entities responsible for the severe violations of religious freedom by freezing assets of those individuals' or entities' and/or imposing **travel bans**.

- **Media / Social Media:** Promote responsible use of the freedom of expression while implementing appropriate policies that will hold any media accountable which perpetuate communalism and hate speech against minorities.

OIC General Secretariat Denounces Acts of Violence Against Muslims in Several States in India

The General Secretariat of the Organization of Islamic Cooperation (OIC) has followed with deep concern the acts of violence and vandalism targeting Muslim community in several states in India during the Ram Navami processions, including the burning of a madrasa and its library by an extremist Hindu mob in Bihar Sharif on 31 March 2023.

The OIC General Secretariat denounces such provocative acts of violence and vandalism, which are a vivid manifestation of mounting Islamophobia and systemic targeting of the Muslim community in India. The OIC General Secretariat calls upon the Indian authorities to take firm actions against the instigators and perpetrators of such acts and to ensure the safety, security, rights, and dignity of the Muslim community in the country.
